Mr. Parambi Lonappen *(Minister for Rural Development):* There are already a number of tanks in Kattur which can be utilised for public purposes—three of them there. One tank near the Church has been inspected by me and I thought if possible it could be made fit for bathing purposes and when investigation has been made I found that the cost is very heavy and it is not a very urgent necessity. Therefore it is postponed.

Mr. Puthur Achutha Menon *(Kattur):* Is it the position of the Hon'ble Minister that there is no necessity for bathing tanks in Kattur?

Mr. Parambi Lonappen *(Minister for Rural Development):* There are two good tanks available for bathing purposes and we are going to store water at Thekkepadam and that also will be available. Of course, there are two tanks available and this tank is close by. So there is no urgent necessity.
